ABOUT ME

Accounting graduate with a strong foundation in financial accounting, auditing, taxation, cost accounting, managerial accounting, and consolidation built through university coursework. Gained practical audit experience during a 4-month internship at DIA International Audit Firm, one of Thailand's leading local firms. Looking for opportunities to apply academic knowledge to real-world accounting and auditing work, and to continue growing professionally.

PROFESSIONAL DEVELOPMENT

Preparing for ACCA (Association of Chartered Certified Accountants) examinations

EXPERIENCE

Audit Intern

DIA International Audit Firm

— Bangkok, Thailand

Jan 2026 - Apr 2026

- Performed vouching and test of details on client financial records; reconciled bank statements against cash and cash equivalents balances.
- Calculated fixed asset depreciation using prescribed methods and verified amounts against financial statements and disclosure notes.
- Checked financial statements and notes to financials line by line to identify referencing errors prior to manager review.
- Prepared working papers for each audit item — cash and cash equivalents, loans, fixed assets, and others — confirming figures and flagging discrepancies.
- Assisted in reviewing the company's asset reporting and ensured proper classification and disclosure of inventory and fixed assets.
- Supported month-end closing procedures by verifying account reconciliations and ensuring transactions were recorded in the correct period.
- Coordinated with client finance teams and senior auditors to obtain supporting documents and resolve audit queries.
